

EROSION ISSUES!

2017 Summer rain events have caused damage to farm fields in Cayuga County.

Possible grant funds available for remediation work caused by storm events.

-For example; field and streambank erosion pictured below.

District is collecting data for grant funds to install Best Management Practices (BMP's).

Please contact Jason Cuddeback for further information at jcuddeback@cayugaswcd.org or 315-704-6221.

Application due by 8/25/17
