

SCHEDULE AND SIGNALS

Parking will be provided free of charge at Emerson Park. District personnel will be located at the main parking lot to assist you from there. Arrival time will be between 9:15 AM and 9:45 AM. We ask that all schools arrive by 9:45 AM so there will be enough time to sort everyone out and get the students to their first station. If you need directions to Emerson Park, please call the District office.

The program will start promptly at 10:00 AM. Each period will last 25 minutes. An air horn will signal the start of the program at 10:00. After that, the air horn will sound once at the end of each period. Lunch will be at the end of the program. **We will not be breaking for lunch.** Students and teachers should bring a bag lunch, including a drink, or make arrangements for lunch after they leave the park. Teachers will be responsible for the supervision of their students at all times.

The program will end at 12:30, with lunch following on your own. Buses should be prepared to start collecting their students after lunch. (Length of lunch is decided by each school.) Students do not have to stay at the park for lunch.

DRESS

Students and teachers should dress casually. It is a good idea to dress in layers since it often starts chilly and warms up in September. Some stations will be in shaded areas, while others will be in open, sunny areas. **Please dress appropriately!** The program will go on unless it begins to thunder and lightning.

WHAT TO BRING

Bring lunch and a drink. Bringing snacks is encouraged. Bring notebooks and pencils. An essay contest will be sponsored by the Soil and Water Conservation District and Cooperative Extension based on what the students have learned at the Field Days. Teachers may want to bring lawn chairs and students may want to bring some kind of sit-upon (cushions, paper bags, etc.) since the ground will be the only place to sit at some stations.

ADDITIONAL INFORMATION

Please call or e-mail to verify your attendance by **no later than September 12th**. E-mail address is cayugaswcd@cayugaswcd.org

First aid will be provided near the parking area.

There will be several restrooms located at various locations around Emerson Park.
