*Cayuga County Conservation District Holds 53rd Annual
Spring Tree & Shrub Seedling Sale*

The Cayuga County Soil and Water Conservation District is now accepting orders for their 53rd Annual Spring Tree and Shrub Seedling Sale. As in the past, the District is offering a variety of New York grown conifers, hardwoods, shrubs, and groundcovers. These seedlings, transplants and other plants are a cost effective, environmentally friendly way to prevent erosion, improve water quality in our lakes and streams, to promote wildlife in your area, as well as create noise and visual buffers, and both snow and wind breaks. The Conservation District will be taking orders through Tuesday, April 30, 2024. Pickup date will be Friday, May 10, 2024. Supplies are limited, so order early for the best selection.

To get an order form and description brochure, call the Cayuga County Soil and Water Conservation District at (315)252-4171, ext. 4, or email us at: cayugaswcd@cayugaswcd.org. We are available Monday - Friday from 7:30 AM - 4:00 PM. Order forms and on-line ordering are also available at our website: <http://www.cayugaswcd.org>
